INTRODUCTION

We send forth the sixth volume of the PINE CONE, not as an example of any great literary attainment, but as the custodian of the year 1951-52 at Maxton High School. It is our hope that in this capacity it may ever guard against the ravages of time the pleasant recollections of the years spent on Maxton High School's campus, and preserve the outstanding events of your high school days. If it keeps alive the spirit of M.H.S. friendships, then we shall feel that this volume will have accomplished its purpose.

1952 has been a year of changes and progress at Maxton High School, with the erection of the new gymnasium, renovation of the cafeteria, and continued improvement and modernization of the entire school plant.

To record this increase in buildings, teachers, and student body, and also, depict that indescribable "something" which has so endeared our school to our hearts, we determined upon a genuine aim. That aim has been to portray through picture and paragraph the informal campus life which exists at Maxton High School.

We HONOR TWO

Her inestimable services to the students of Maxton High School have long been recognized; we are constantly aware of that which has been accomplished by her Christian influence and spirit of unfailing friendliness. Because we feel that by rendering unselfish service to others she has found in life a philosophy of peace and contentment, because we believe that her way of living is an exemplification of the ideal spirit, and with the earnest hope that all of us will catch her spirit along the way, we co-dedicate the PINE CONE of 1952 to Ida McKinnon.

The senior class of 1952 feels an especial personal gratitude of our two beloved "Macs". Their guidance, interest, patience, and understanding have been a constant source of inspiration to us throughout our high school careers. They have personified the highest examples of leadership, and our appreciation on paper can never repay them for their work with us through the years, both in the classroom and in outside activities.

Our class came to know Mrs. McKinnon well in 1947, our first sojourn in the high school building. It wasn't because we learned English grammar for two hours every day that we came to love her;

DEDIC

GREAT TEACHERS

To Ann Elizabeth McKinnon, whose brilliant intellect, rare teaching ability, and sympathetic interpretation of the thoughts of youth, combined with an unswerving devotion to truth and honor and fair play in every phase of school life, have won for her the admiration, affection, and esteem of this student body, this volume is co-dedicated with gratitude and sincere appreciation.

Her admirable personality, tolerance, wisdom, and Christian influence so pervade our campus as to make us ever grateful for her presence among us.

rather we loved her for herself; and her work with us never ceased. In our senior year she was our advisor, and we appreciated even more the many services to us as a class.

'Miss Ann', as we lovingly call her, served as our class advisor in both sophomore and junior years, endearing herself to all as she patiently guided us toward the completion of our high school days. What would our junior-senior banquet have been without her!

We co-dedicate our senior yearbook to them because they have made a profound and lasting impression on our lives.

A curious combination of scholars and "screwballs", not too serious in studies, riotously hilarious in fun, impossible of duplication -- these phrases describe M.H.S.'s Seniors of 1952. In neither the past nor future annals of the school will you find a class exemplifying great-

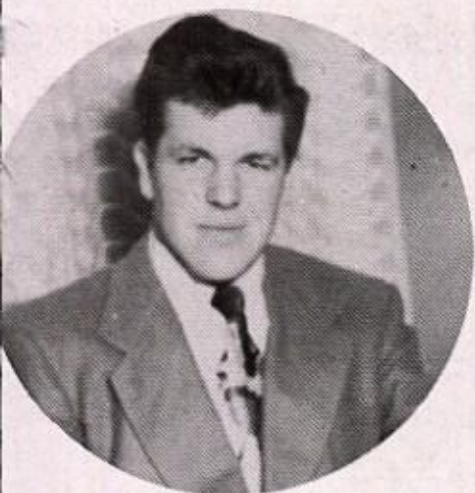

er comradeship, greater loyalty one to another. And nowhere can one come more face to face with "dynamic unexpected" than when he reviews the carousals of this class and the unforgettable individuals comprising it.

As twelve years roared by, we of the class of 1952 became firm in our conviction that, try though we might, we could never forget the sincerity and fraternal interest of fellow classmates.

SENIORS

MARGARET BENTON
"Maggie"

Dramatics 11,12; F.H.A. 11,12; Intramural Sports 11; Loris High School 9; Wampee High School 10.

Margaret Benton joined us in the tenth grade; her quiet, unassuming manner helped to endear her to the members of the class. Her neat appearance, her good disposition, her friendly ways--all these are attributes of "Maggie".

KATHERINE BILES
"Katty"

Basketball 11, 12; F.H.A. 9, 11; Dramatics Club 11, 12; McHi Staff 11; Monogram Club 11, 12; Intramural Sports 7-12; Girls' State 11.

Katherine Biles, better known as "Katty" and "Fish", has enough drollness, common sense, wit, cleverness, and personality to even the score for any of the class who are minus these qualities. As evidence of an outstanding girl, she was one of the representatives chosen to attend Girls' State.

HENRY CARTER
"Sonny"

Dramatics 11, 12; Monogram Club 11, 12; J-V Sports 9; Intramural Basketball 9, 10; Glee Club 11; Basketball 11, 12.

One of the most amiable guys we've ever known. Sonny was ever smiling. Good manners and friendly, true, but much more than that, Henry is fine through and through. He really gets around, in campus activities and in his relations with others. In spite of the fun he had Sonny could be very serious. A sincere friend to many, he will long be remembered as the swell fellow he is.

REA DAVIS
"Chavis"

Dramatics Club 11, 12; F.F.A. 12; Bus Driver 11, 12; Intramural Sports 10,11; Athletic Bus Driver 12; Glee Club 11.

Not a boy at M.H.S. has more true friends than Rea and never was one more worthy of friendship than he. A capable student, efficient in all his activities, a genuine mixer -- Rea was all these, but far more. To know him was to like him, for in Rea's appealing personality were combined all the qualities of a true gentleman.

THE '52 PINE CONE

BETTY JEAN ENGLISH

"B. J."

Dramatics 11, 12; Glee Club 11; F. H. A. 9-12; President of Class 9, 10, 11, 12; Monogram 8-12; Cheerleader 8-11; Intramural Sports 7-12; McHi Staff Typist 11.

Betty Jean, affectionately known as "B. J.", has been class president for four years. Her diplomacy, tact, sense of humor, and executive ability have been the qualities that have made her an outstanding leader. Her careful choice of becoming clothes adds to her attractive appearance.

HORACE LESTER ENGLISH

"Reverend"

Dramatics 11, 12; F. F. A. 12.

Horace is a psychological phenomenon. To figure him out is impossibility, for no one knows what he will do next or why. When he works, he accomplishes a great deal -- one of the most dependable members of the class. He can hold his own in any "bull session" and dominates the ladies with amazing facility. One bit of advice -- never take him seriously for sobriety is far removed from his life of laughter.

MYRTLE ENGLISH

"Myrt"

Dramatics 11, 12; Glee Club 9-11; Beta Club 11, 12; F. H. A. 9-11; Basketball 10-12; Class Vice-President 10-12; Intramural Sports 7-9; Monogram Club 11, 12; Debating 11, 12; McHi Staff 11.

We call her "Myrt" whether she likes it or not -- she loves to play pranks and can see the amusing in almost every situation. Optimistic, energetic, slightly pampered by all of us, stubborn and high-tempered at times, intelligent, good public speaker as evidenced by her debating -- Myrt will probably be very successful in her chosen career.

HARRY GENTRY

"Tiny"

Dramatics 11, 12; Glee Club 11, 12; Pres. F. F. A. 12; Monogram Club 10-12; Baseball 9-12; Intramural Sports 9-12; Class Treasurer 11; Co-captain Baseball 11; Football 11.

Known by everyone as "Tiny", Harry has made a record both with his classmates and on the diamond that will long be remembered. His "first-base mitt" will be missed on the baseball field, and he was a mighty good football player before an injury put him on the retired list. "Tiny" is another one of those guys who has made good in high school and you can bet that he will continue to succeed.

MEMBERS of the SENIOR CLASS

JOHN HAMER
"Lover Boy"

Dramatics 11, 12; Boys' State 11; Monogram Club 11, 12; Basketball 11, 12; Football 11, 12; Co-Captain Football 12; Baseball 9-12; Intramural Sports 9, 10.

Handsome -- yes, and let us add, more than "skin deep", for this fellow is genuine in all respects. One of the best football players ever to play for M.H.S., Johnny has really made a name for himself in football circles. More than that, he has made the class of '52 better for his having been a member. Sincere in heart, friendly in spirit, and pleasant in conversation.

THOMAS HELMS
"Kayo"

Beta Club 9-12; Football 11, 12; Captain Football 12; Baseball 11, 12; Marshall; 11; McHi Staff 11; Pine Cone Staff 12; Dramatics 11, 12; Monogram Club 11, 12; Intramural Sports 9-12.

This fellow has made quite a name for himself on the gridiron by holding down an end position for a couple of years. Better known as "Kayo", he has driven in from Skyway every morning and while he was here he really used his time well. Good athlete, good student, good mixer -- in fact, good all-round. "Kayo" has been a friend to everyone.

CHARLES M. HENSEY
"Mac"

Beta Club 9-12; Football 11, 12; Debating 10-12; Marshall 11; Basketball Scorekeeper 11, Timekeeper 12; Pine Cone Staff 12; Monogram Club 11, 12; Vice-President Beta Club 11, 12.

While at M. H. S., Mac has conscientiously undertaken everything that has caught his interest. He has worked hard in his studies, but as indicated by his list of accomplishments, he has found time to take part in varied extra-curricula activities. Recognition of his abilities by his classmates has been evident, but we shall always remember Mac for his jovial manner, his friendliness, his good common sense, and logical reasoning.

WILLIAM HOLLENBECK
"Holly"

Debating 11; Dramatics 11, 12; Van Etten Central High School 9, 10.

Bill -- hardworking, conscientious, efficient -- a smile for everyone, a friend of all who have known him. An outstanding student, Bill transferred from New York and has impressed us since his arrival during our junior year. His willingness for work, dependability, and unselfishness are his outstanding characteristics.

BETTY JEAN HORNE

"Betty"

Dramatics Club 11,12; Glee Club 9-12; F.H.A. 9-12; Monogram Club 10-12; Beta Club 10; Basketball 9-12; Class Treasurer 9; Marshal 11; Intramural Sports 9, 10; McHi Staff 11.

Betty Jean Horne, very photogenic, studious, basketball fiend, quiet, intelligent, attractive, consistently going steady, domestically inclined--these are qualities that have made Betty Jean a valuable member of our class.

ANNIS JOSEPH

"Annis"

Cheerleader 8,9,10; P.J.C. 11; F.H.A. 9,10,12; Monogram Club 8-12; Beta Club 9-12; Pine Cone Staff 12; Glee Club 10,12; Dramatics 12; Class Secretary 10.

Annis proved her ambition to get somewhere in a hurry when she decided to finish high school in three years. She could make a living as a professional dancer; she doesn't have to be just another housewife. Her artistic talents are shown by her attractive clothes, her sketching, and her originality. Twittery, high-strung, quick tempered, and a bit unpredictable are some of the qualities we have discovered in her.

EDWARD LAMOTTE

"Eddy"

Pine Cone Editor 12; McHi Editor 11; Football 11,12; Basketball 9,10; J-V Basketball 8; Intramural Sports 7,8; Monogram Club 9-12; Historian 11; Beta Club 9, 10, Secretary 10; Glee Club 11,12; Dramatics 11,12; Boys' State 11.

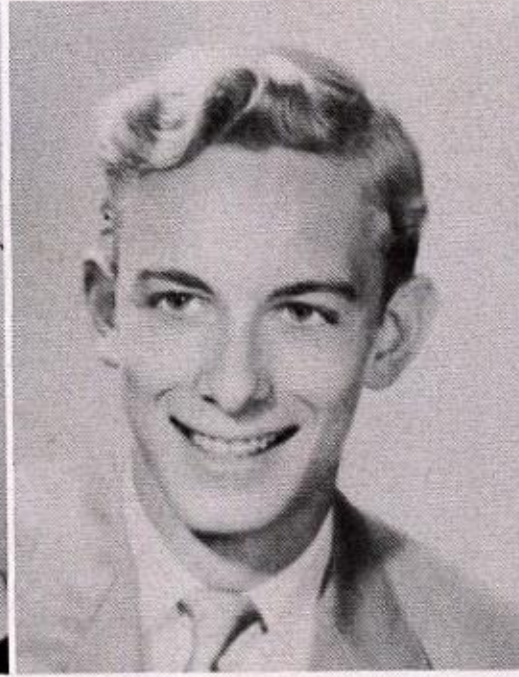

Journalistically speaking, Eddy has just about covered the field. Starting out by naming the "Pine Cone" in the seventh grade, and as a "McHi" contributor his freshman year, he ranked Editor of these publications his junior and senior years. Football used his talents, especially as a passer, and he has taken part in many other activities. Always friendly and rather quiet, he is above all, a real gentleman.

EFFIE LOU LYTCH

"Ef"

Dramatics 11,12; Glee Club 9-11; F.H.A. 10-12; President F.H.A. 10; Intramural Sports 9-12.

Effie Lou, a girl of high moral ideals, quiet, attentive, dry sense of humor, friendly, lady-like, good natured, never in a hurry, accommodating, efficient, independent--we believe Effie Lou will continue to command the same polite consideration of her associates that we so willingly bestow upon her.

LeROY McCALL
"Roy"

Cheerleader 8; McHi Staff 11; Pine Cone Staff 12; Basketball 9-12, Co-Captain 12; Baseball 11,12; Football 11, 12; J-V Basketball 8; Monogram Club 9-12; Glee Club 11,12; Dramatics Club 11,12; Class Sec. 9,10; Class Treas. 12.

Eversince the day "Lee" arrived at M.H.S. his good natured disposition has remained with him. Give him half a chance and he will impress you with his common sense, general knowledge of what makes the world go round, and an inevitable sense of humor. Good athlete, true, dependable, considerate-he will, without a doubt, succeed at whatever he undertakes in life.

CLYDE McLEAN
"Arch"

Football 11; Baseball 10; Intramural Sports 7-12; Dramatics Club 11,12; F.F.A. 12; Bus Driver 11,12.

Easy going, but sure of what he wants, Clyde has gone about getting it in the shortest way. Quietly and easily he has surmounted all obstacles presented him in his work. Never taking any situation very seriously, Clyde always put on the pressure when the time came. Baseball and "bull sessions" have been his main hobbies. By those who know him best, he will always be remembered as "One of the Boys".

DONOVAN PATTERSON
"Don"

Dramatics 11,12; F.F.A.12.

Easy going and mild mannered, Don has made a name for himself first as a student. For four years he kept a good average in his studies. He is a talented person who has been consistent in his good manners and loyalty to all. A genuine good sport, admired by all who know him, Don has every right to expect a lot from the future.

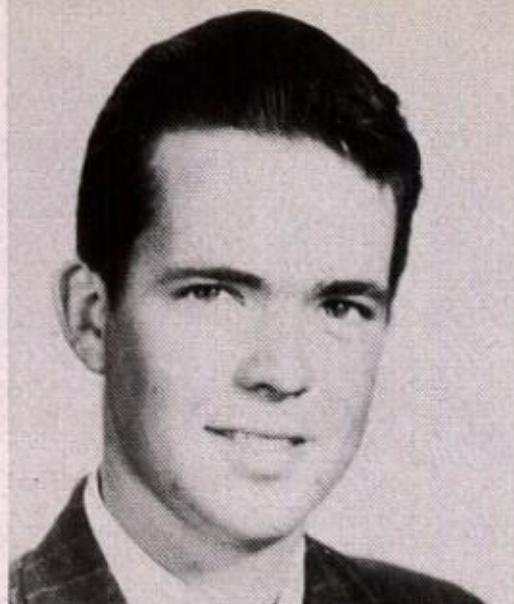

FRED RANDALL
"Rand"

Dramatics 11,12; Glee Club 11; McHi Staff 11; Monogram 11,12; Football 11, 12; Intramural Sports 11; Pine Cone Staff 12.

Freddy's apparent nonchalance disguises both ambition and ability. He has tried his hand at sports, risen to the top in dramatics, and made a legion of friends. Nothing ever worries him; adept in the social graces. Fred is a favorite with the ladies. Not a genius in any particular field, but consistent in all, Freddy should become a huge success in life.

DUNCAN SMITH

"Big Dunk"

Dramatics 11, 12; Glee Club 11; F.F.A. 12; Substitute Bus Driver 11, 12.

To really understand Duncan, one has to know him intimately. Rather quiet and polite among strangers, riotously gay among his host of friends, a swell fellow among all his classmates--that's Duncan. We will always remember him as a true friend--with a very definite mind of his own. His characteristic determination will take him to the top.

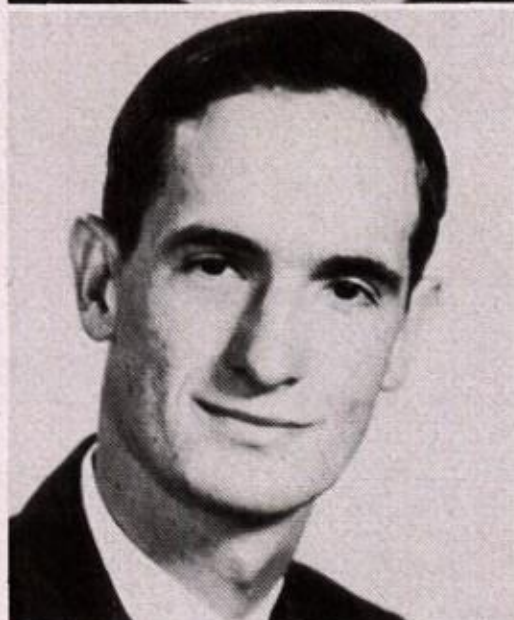

BETTY SNEAD

"Bet"

Secretary 11, 12; Beta Club 11, 12, President 12; Cheerleader 8, 10, 11; Monogram Club 8-12; McHi Staff 11; Pine Cone Staff 12; Chief Marshall 11; Intramural Sports 11; Dramatics 11, 12; Glee Club 10, 11; F.H.A. 12; Girls' State 11; Class Treas. 10.

Betty Snead is one who can be counted on to be wherever any activity is going on that will further the better interests of the group. Her integrity, her loyalty, her attractive personality and appearance have made a lasting impression on the ones of us who have been her closest associates. Betty was a member of Girls' State in 1951.

ARNOLD STONE

"A" Stone

Basketball 9-11; Football 11, Co-captain 11; Baseball 9-11; F.F.A. 12; McHi Staff 11; Pine Cone Staff 12; Vice-president 9, 10.

Arnold's love for basketball carried him to the top where he was acknowledged as "great", and had the respect of both friends and foes. An all-round athlete, he took part in all sports and never failed to excel. Unable to complete his senior year, he was always by his teammates, cheering and helping. Above all, he was a sincere friend to all of us for four years. Because he's what he is, we'll be watching him and always pulling for him.

ROBERT TUCKER

"Tuck"

Baseball 9-12; Monogram Club 11, 12; Bus Driver 11, 12; Dramatics 11, 12.

Bobby has become known to practically every student in M.H.S., either through his baseball exploits or bus driving activities. Ever since the day he joined us and came to M.H.S. he has been adding to his host of friends by his cheerful smile and easy-going manner. A fellow who exemplifies friendship and loyalty--we give you "Bobby".

MEMBERS of the SENIOR CLASS

SALLIE TUCKER "Little Bit"

Glee Club 12; Hoke High School 9, 10; Alexander High School 11.

Sallie Tucker is a transfer to us. She has cooperated to help make all class projects a success. Her willingness to do her share in whatever we undertake has helped us to realize what an asset she is to our class.

EUGENE WEBB "Willie"

"Willie's" abilities were early appreciated by the student body and his classmates who recognized him as tops in every respect. A member of the football team, he played a lot despite his size and helped contribute to an outstanding season. He'll be remembered too, as one who was friendly and diplomatic with the ladies. Capable, well-rounded, popular and sincere, we give you "Willie".

HERBERT WILLIAMS "Herb"

J-V Basketball 9, 10; Basketball 10-12; Football 11, 12; McHi Staff 11; Pine Cone Staff 12; Beta Club 9-12; Monogram Club 11, 12; Glee Club 11; F.F.A. 12.

You have doubtless heard of "contagious" smiles, but when Herbie smiles as he does perpetually you see the original one. He won laurels in three sports and was a mighty good end on the grid team. While tops as a student, Herbie knew his way around--and with the women he was somewhat of a power. Many friends will long remember him as the sincere, jovial person he really is.

*Best wishes

CLASS OF '52

It was actually September, 1940--but it seems only yesterday--when the class of '52 made their initial appearance, for the years have passed rapidly. Crowded into twelve years are many memories.....happiness and fun together, incidents never to be forgotten, and friendships made through the years.

Our life together has certainly been an active one--for '52 has been doing things and setting records ever since 1940. We have known little of a peaceful world, for two wars have raged since December of 1941, and even now, as we prepare to leave, we face a world torn with international strife.

Beginning with a small group, our ranks were bolstered during the war and have remained large enough so that we graduate with the largest class in the history of the school.

We leave remembering many things, such as our trip to Raleigh in the sixth grade, our jaunts to the State Fair, our graduation from grammar school, and our junior and senior years with their Junior-Senior banquet, Class Play, Senior trip, and graduation exercises, and many other activities which all blended to form some of the happiest moments of our lives.

Athletically, we have always been well-represented. Starting with a junior varsity basketball team in the eighth grade that lost only one game, we have had stars on varsity basketball, baseball, and football teams. We leave a record here that will be hard to excel.

In all phases of school life, 1952 has always been represented, and these activities have helped to mould us better into individuals, preparing for greater responsibility and leadership.

Grammar school and high school, all twelve years have passed too fast, for we can never again recapture the moments of care-free mutual happiness which we have shared. Yet, the Class of 1952 leaves, eager to press on into the future and to make worthwhile contributions to the world in which we live.

Junior-Senior Banquet

'52 in '42

1951 JUNIOR-SENIOR

Amid a scene that made us believe that we were in a formal garden waiting for the May Dance to begin, we Juniors climaxed our cooperative efforts to stage the best Junior-Senior that had ever been given in this vicinity on April 27, 1951. A clever May Day idea was the theme of the banquet and dance . . . menus, memory books, decorations, a real May pole, and the highlight of crowning Shirley McLean as May Queen and Jimmy Patterson as May King . . . all of it was fun. The night ended . . . its perfect memories linger on.

"Redheaded Royalty from Arkansas", produced by the Seniors on November 17, 1951, was lots of fun for the cast as well as for an appreciative audience. With a college setting, the play was filled with comic scenes . . . a blackmailer -- the Professor -- a real live Prince, boy crazy coeds and their jealous lovers . . . all moved the action speedily, interestingly, and humorously.

THE CLASS OF 1953

Glenn Crofton.....	President
Donald Pulliam	Vice-President
Maggie Green	Secretary
Betty Harris.....	Treasurer

Outstanding and versatile -- these two words only partially describe a class which featured Glenn Crofton as its president and Donald Pulliam as vice-president. Maggie Green served as secretary, while Betty Harris handled the treasurer's job.

The class of 1953 featured many outstanding figures in every field. In athletics their contributions were numerous, but certainly their endeavors were not limited to sports. The juniors piled up honors in every phase of campus activities, and genuine leaders were numbered among their ranks.

Next year, as seniors, they will assume full responsibilities as campus leaders, and their past record indicates they will live up to all our expectations.

The debating teams have met with outstanding successes since the group was organized in 1948. The teams have defeated their competitors in local and district contests, and three out of four years have sent teams to the state contests held in Chapel Hill each year. Our teams have met teams from far larger schools who were unable to hold the Maxtonians down in forensic contests. Veteran debaters for 1952 are Mac Hensey, Myrtle English, and Bill Hollenbeck. 1952 debaters will again have Mrs. J. H. McKinnon as adviser.

Once-beaten, and rated one of the outstanding six-man teams in the state, Maxton High School's red and white gridiron sextet completed their second season of six-man football. Opening the season in early September under a sultry summer sun at Rowland, the Rebels climaxed the year with an upset win over Red Springs, gaining revenge for their only previous defeat. The 1951 squad, coached by Dennis Parks, proved their mettle by battling through a hard schedule with fighting spirit and determination to compile a record of six wins and one loss.

REBELS---8 ROWLAND--- 6

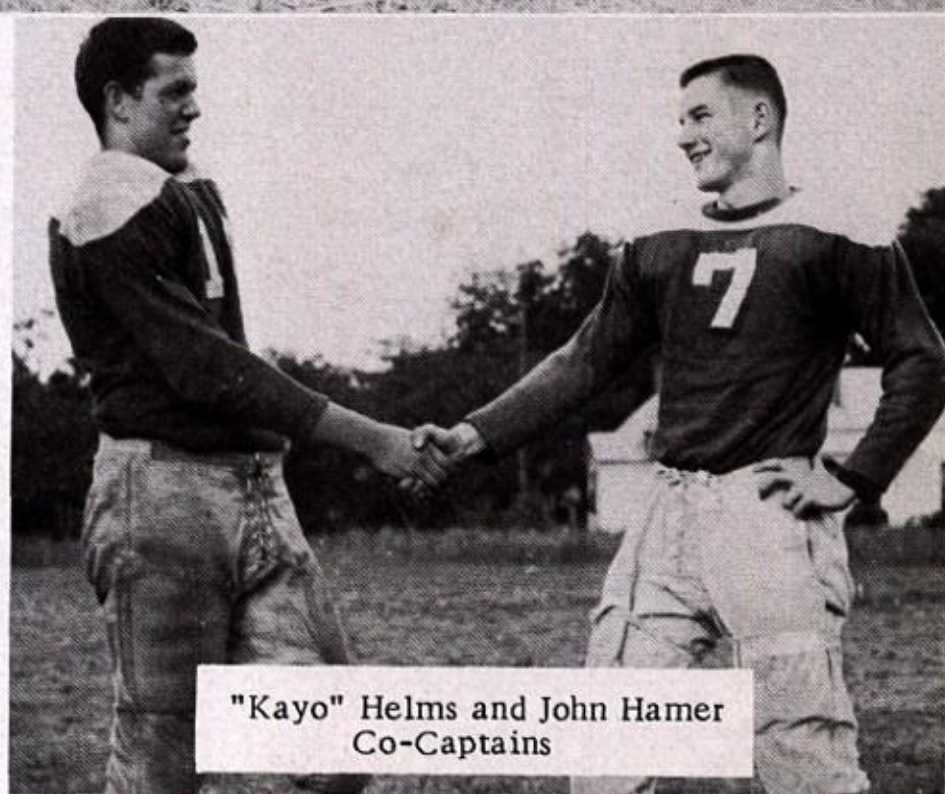

Friday, September 21, brought the Rebels face to face with Rowland's black and gold clad gridiron team, and beneath a sultry sun Maxton eked out an 8-6 victory over their scrappy opponents. Maxton's show of offensive power and speed, which was evident later in the season, was held completely at bay during the early stages of the game. As a result the entire first quarter was largely a defensive battle and saw Maxton trailing 0-6. Following Rowland's touchdown, their attempted pass for the extra point was broken up by Hamer. Rowland's powerful single-wing running game seemed to be paying off, and the hot weather also began to take its toll of M.H.S. players.

Gradually Maxton fought back -- and then a break! LaMotte's bouncing punt was fumbled by the Rowland safetyman, and it was the Rebel's ball deep in enemy territory. A few plays later Hamer took LaMotte's pitch-out and swept wide to score standing up. Big "Kayo" Helms came in and calmly plunked the ball between the uprights for the winning two points. After this score the game settled back into a defensive battle again, which saw Maxton running the clock out in the fourth quarter to hold on to the lead.

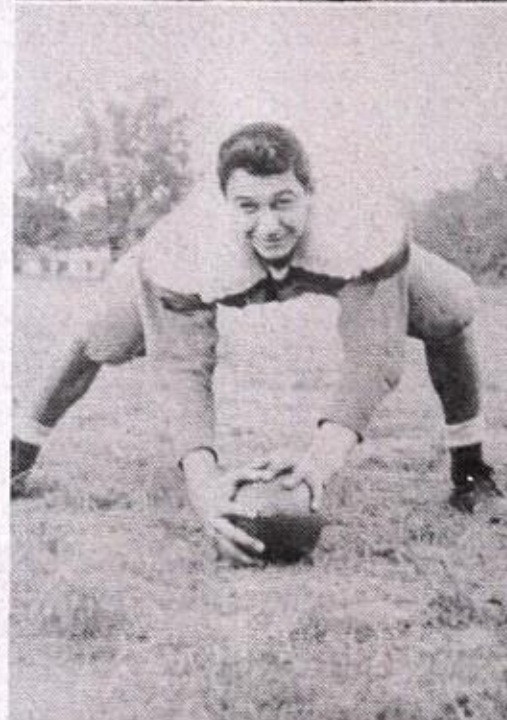

The defensive play of Hamer, Carrowan, and Helms were bright spots of the afternoon.

M.H.S.---40 ST. PAULS---22

The Rebels' stock jumped considerably the following week when the team moved on to St. Pauls, and pinned a 40-22 licking on the Bulldogs. Maxton gave an exhibition of deceptive running, good passing, and great downfield blocking to come from behind and amass the winning points during the last half. St. Pauls had started to click, and had taken the lead mid-way the third quarter.

STARTING TEAM Linemen--Williams, McCall, Helms. Backfield--Hamer, LaMotte, Watson.

Maxton got off to a good start when on the third play of the game LaMotte intercepted a Bulldog pass inside the St. Paul's 25-yard line, but the Rebels failed to tally. The game saw-sawed back and forth until Johnny Hamer turned on his running ability to score twice and put M.H.S. into a comfortable lead. Watson swept around end to score another touchdown. With many substitutes in the Maxton line-up, St. Paul's fought back and with lightning-like speed gained the lead. Minutes later Hamer took LaMotte's pass in the flats and scored to once again put Maxton ahead. At this point the combination of Helms' blocking and Hamer's running proved too much to the blue and white opposition, and Maxton was ahead to stay. Maxton's punt returning was especially good with Hamer being un-

stoppable and LaMotte returning one punt 45-yards for what looked like another score until the officials ruled him out of bounds just short of the end zone.

RED AND WHITE ---30 LAUREL HILL ---13

Playing before a home crowd for the first time, Maxton triumphed over an out-classed Laurel Hill sextet 30-13. Pointing for the coming Red Springs game, and playing good football only on occasions, M.H.S. had to fight hard to defeat the Earl Barber-led opponents, who played the Rebels on even terms in the last half. Maxton scored early, and with Hamer, Helms, Williams, McCall, LaMotte, and Watson bearing the brunt of the attack, built up a substantial lead by halftime. Barber ran well for Laurel Hill in the last half and led the attack in pushing over two hard-earned scores.

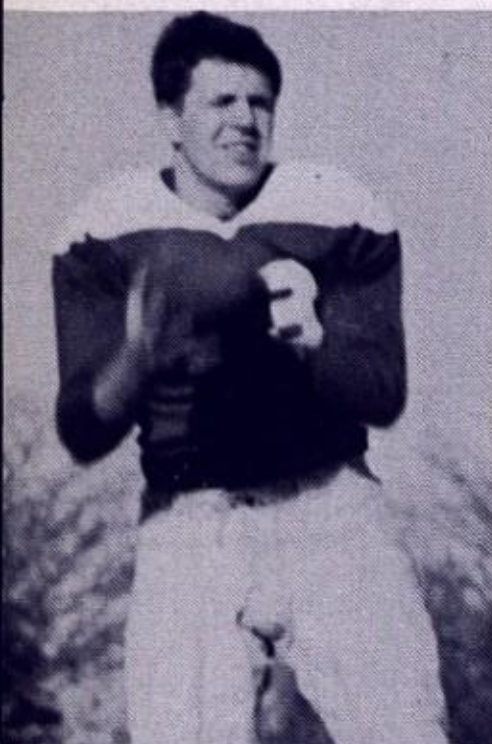

MAXTON --14 RED SPRINGS -30

Continuing their county competition, the Rebels journeyed to Robbins Park the night of October 12th to oppose the Red Springs Red Devils, arch rivals, prominent contenders for State six-man honors. The largest crowd of the season filed into the stands of Robbins Park, and while Maxton departed beaten for the first time during the year, no one will ever forget the brand of football played that night.

REBELS -- 26 PARKTON -- 14

In an exciting game played in a steady downpour with high winds, Maxton defeated the home-standing Parkton team by a 26-14 margin. Parkton yielded to three touchdown thrusts in the first half, but fought valiantly throughout the second half to hold the Rebel substitutes to a standstill.

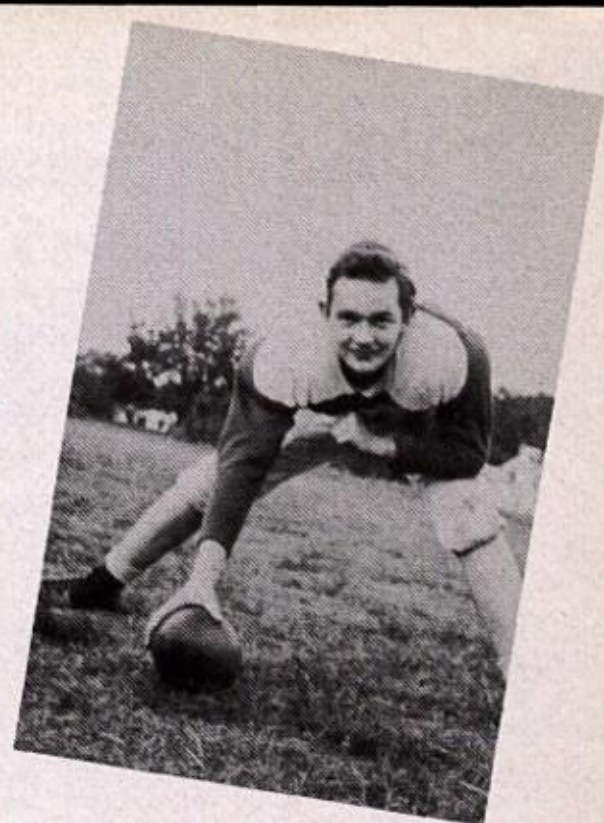

Helms supplied the spark for the initial Rebel tally with his line plunges and end runs. He and J. B. Watson carried the pigskin for long yardage, while Duncan and Williams pulled in many passes as the red and white drove over for their second score. This same story was repeated just before intermission, as the Rebels gained yardage seemingly at will.

Just before the third quarter ended, LaMotte flipped to Duncan in the end zone, and Helms' conversion was good. Parkton came back and shoved over two touchdowns, but as the game came to a close and with many Rebel substitutes in the line-up, Maxton was threatening on the goal-line.

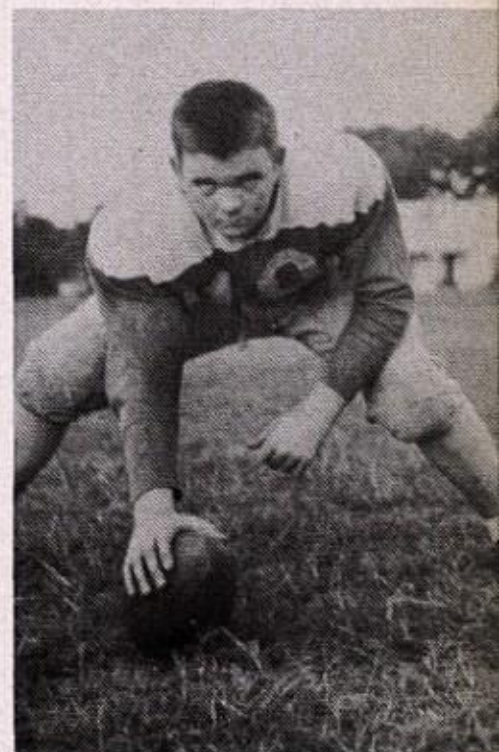

With such stars as the Coley brothers and Farris Nye to increase the terror of his Red Devils, Coach Bob Van Hoy fielded a team that overpowered the Rebels for three quick touchdowns during the first half. Nye's opening kick-off touchdown run was brilliant, and the Red Devils' blocking was excellent. Minus star running back Hamer, who was injured, M.H.S. resorted to passes, and in closing moments of the first half LaMotte and Duncan began connecting. Duncan took one pass on fourth down and missed by inches setting up a sure score.

After the intermission a fighting Rebel team took the field. It was a team filled with determination, which in the last half outscored and outplayed Red Springs but could not overcome the first half lead. Only a few minutes had elapsed before the Rebels scored a touchdown. Williams and Watson double-teamed on the Red Springs passer to bat the ball up, intercept, and scamper into pay-dirt. Then came a play which had every fan in the park on his feet. Williams took LaMotte's pass and lateraled to big "Kayo" Helms, who tucked the pigskin under his arm and broke into the clear, scoring on the long run. Helms' conversion made the score 14-18, and offensively as well as defensively Maxton was outplaying the Red Devils. Helms, Williams, and McCall were sensational as defensive stars, while Billy Duncan turned in a great game.

SENIOR PLAYERS Kneeling--Willie Webb, LeRoy McCall, Johnny Hamer, Eddy LaMotte. Standing--Mac Hensey, Herbie Williams, Thomas Helms.

M. H. S. --- 46 PARKTON --- 12

The Rebels game real evidence of superiority as they rolled up hundreds of yards from scrimmage while running roughshod over Parkton in a return game at Maxton, 46-12, to win their fifth game of the season. Before game time, the clash had been rated close, but Maxton's charges, displaying excellent teamwork and featuring the return of the injured Johnny Hamer to the backfield, dispelled any doubt that they would be headed. Everyone played excellent ball, with Hamer showing his usual running form to score several touchdowns, and Helms, Webb, Green, Watson, Hensey, Williams, McCall, McGirt, Misenheimer, and Phillips standing out as offensive and defensive stars.

MAXTON --- 14 RED SPRINGS --- 12

Then came the final touch to a great season. The Rebels rode high on the wings of victory in Maxton, as the Red Springs Red Devils fell, crushed on the gridiron, unable to win with a desperate last-second attempt which was stopped with as sensational a goal-line stand as any football team has ever made.

Willie Webb, Freddie Randall LeRoy McCall, Herbie Williams, Tom Helms, Mac Hensey, and John Hamer played their last ball for Maxton High School and turned in some memorable performances. Eddie LaMotte was unable to take part in this game due to an injury that stopped him a week before schedule. The seniors ended their football careers in a blaze of glory, and could claim co-honors with Red Springs for the county six-man football championship.

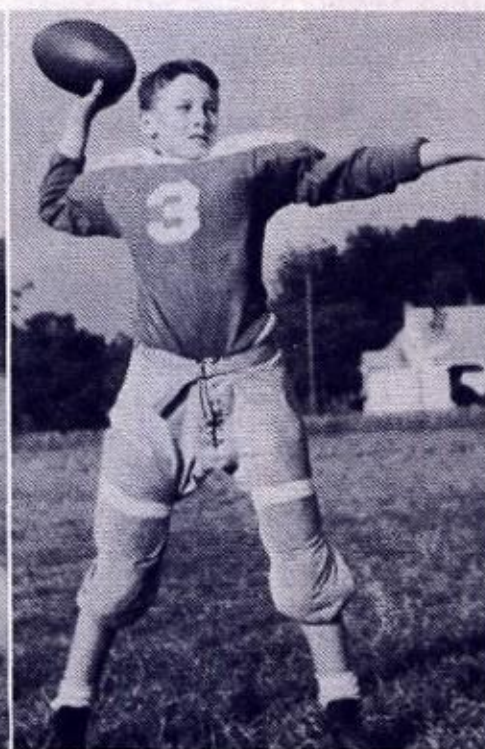

Murphy McGirt
end, good pass catcher

Pat Henderson

The CAGERS

With such stars as Buddy Pullium and John McCall gone from the 1951 team that lost to Red Springs in the County Touranments finals, Coach Dennis Parks started early in December to whip into condition a cage team capable of holding its own in county competition. Veterans on the team were Don Pullium, Bill Duncan, LeRoy McCall, Herbie Williams, John Hamer, J. B. Watson, and Sonny Carter. Newcomers included Carl Gentry, Murphy McGirt, Thomas Caddell, and Lindsay Thomas. The Rebels played good basketball all year, although a lack of height proved a decided handicap.

The team didn't win any championships, but gave the fans many thrilling games and the opposition plenty of trouble. Featuring a long mid-season win streak, the squad wound up with a good season record. LeRoy McCall, Don Pullium, and Bill Duncan were three of the high scorers, while Herbie Williams, and J. B. Watson always played good floor games.

Opening up early in the Parkton Invitational Tournament, the Rebels won an exciting game over Tarheel. The host Parkton team edged the Rebels out by 5 points in the next game, and followed by defeating Maxton again 37-46. Following a win over Wagram, the quint still hadn't reached top form, and was set back by St. Pauls.

BASKET

A win over Rowland 49-26 started the victory streak, and the Rebels continued their winning ways in exciting games with Fairmont, Rowland, Orrum, Smiths, Red Springs, Orrum, Parkton, and Wagram. After a defeat by Red Springs, however, the cagers suffered a let-down and had trouble resuming their consistent winning play. They continued to fight every inch of the way, but lost important tilts to Fairmont and St. Pauls, while defeating Laurel Hill twice.

Smiths was the first victim of the Rebels, 56-31, when the two teams tangled in the county tournament; but in the semi-final round, St. Pauls pulled ahead to win 43-27.

Coach Parks had excellent guards on hand in Maggie Green, Lounetta Patterson, Betty Jean Horne, and Myrtle English. Some of the most outstanding pointmakers included Frances Young, Joan Stone, Carol McIntyre, Verna Duncan, and Katty Biles.

In the Invitational Tournament at Parkton, the girls edged Tarheel 30-28, but lost a heartbreaker 44-45 to Red Springs the following night. Entering regular season competition. Maxton took on Parkton and St. Pauls, and also defeated Wagram 38-23. Two one-point losses followed, 31-32 to Rowland and 24-25 to Fairmont. Turn about is fair play, and Maxton defeated Rowland 27-26, followed by wins over Orrum and Smith in convincing fashion. Maxton and Red Springs next battled to an exciting 22-22 tie game, before Orrum downed the girls 37-59. Parkton fell before Maxton 37-31, and Wagram also met defeat by a score of 41-32. This winning streak was brought to a halt by Red Springs, but the M. H. S. six rebounded with a couple of victories over Laurel Hill, and a tie game with St. Pauls.

In the County Tournament at Lumberton, Maxton handed Barnsville a 61-31 defeat, before being eliminated by Orrum 39-45.

Maxton High School fans look forward to the 1953 girls' season with prospects pointing toward another fine year.

The Rebel NINE...

With warm weather bringing the urge for fly-chasing and base-stealing into the blood of the '52 diamond hopefuls as this section goes to press, the Rebel nine is rapidly developing into a formidable aggregation.

Only pitcher Buddy Pullium is gone from the ranks of the '51 club, and returning are such stars as Harry Gentry and John Hamer along with several others.

The '51 season drew to a close as a losing year in competition with Orrum, Rowland, and Fairmont, although the team played some interesting and well-played games. The Pullium brothers handled the mound work, with help from Misenheimer. Others on the squad were Bobby and Kayo Helms, Willie Webb, LeRoy McCall, Lindsay Thomas, J. B. Watson, Billy and Bob Tucker, John Hamer, and Harry Gentry.
